PATIENT DASHBOARD

The screenshot shows the HealCare Patient Dashboard. At the top, there's a header with the HealCare logo, emergency contact information (+254) 717 783 146, work hours from 09:00 - 20:00 Everyday, and location 0123 Some Place. Below the header, the main title "Patient Dashboard" is displayed, followed by a welcome message: "Welcome back! Here is an overview of your health." On the left, a sidebar menu includes "Dashboard" (selected), "Book Appointment", "My Appointments", "Medical Records", "Prescriptions", and "Settings". The main content area features four summary cards: "02 Upcoming Appointments", "15 Past Visits", "05 Prescriptions", and "Latest Lab Report Available". A section titled "Upcoming Appointments" lists two entries: "Dr. Sarah Jenny" (Cardiologist, Oct 25, 2025 at 10:00 AM) and "Dr. Mark Stevens" (Neurologist, Nov 02, 2025 at 2:00 PM), each with a "Cancel" button.

DOCTOR DASHBOARD

The screenshot shows the HealCare Doctor Dashboard. At the top, it displays the HealCare logo, emergency contact information (+254) 717 783 146, work hours from 09:00 - 20:00 Everyday, and location 0123 Some Place. The main title "Doctor Dashboard" is shown, along with a subtitle "Overview of your daily schedule and patients." On the left, a sidebar menu includes "Dashboard" (selected), "Appointments Today", "Patient Records", "Lab Requests", and "My Schedule". The main content area features four summary cards: "08 Appointments Today", "03 Pending Reports", "12 In-Patients", and "4.9 Patient Rating". A section titled "Today's Schedule" lists two appointments: "John Doe" (Checkup, 09:00 AM) and "Jane Alice" (Follow Up, 10:30 AM), each with a "Start Consultation" button.

STAFF DASHBOARD

The screenshot shows the HealCare Staff Dashboard. At the top, there are four status indicators: Emergency (+254) 717 783 146, Work Hour 09:00 - 20:00 Everyday, and Location 0123 Some Place. The main header is "HEALCARE" with a logo. On the right, there are "Staff Member" and "Log Out" buttons. The left sidebar has buttons for Dashboard, Reception / Queue, Patient Billing, Inventory, and Canteen Orders. The main area is titled "Staff Operations" with the sub-instruction "Manage hospital workflow and patient services." It features four cards: "120 New Registrations", "45 Pending Bills", "15 Room Occupancy", and "Done Shift Status". Below these is a "Quick Actions" section with buttons for "Register New Patient", "Generate Bill", and "Update Bed Status".

ADMIN DASHBOARD

The screenshot shows the HealCare Admin Dashboard. At the top, there are four status indicators: Emergency (+254) 717 783 146, Work Hour 09:00 - 20:00 Everyday, and Location 0123 Some Place. The main header is "HEALCARE" with a logo. On the right, there are "Administrator" and "Log Out" buttons. The left sidebar has buttons for Overview, User Management, Departments, Financial Reports, and System Settings. The main area is titled "Admin Control Panel" with the sub-instruction "System-wide monitoring and administration." It features four cards: "542 Total Patients", "85 Total Doctors", "\$125k Monthly Revenue", and "Active System Status". Below these is a "System Alerts & Logs" section showing two entries: "[Success] Database Backup Completed" (10 mins ago) and "[Warning] High Server Load" (1 hour ago).
